

## **Bachelor of Science in Nursing (RN to BSN)**

**Credits: 120**

### **Specific Program Admission Requirements**

1. Students must provide a conferred Associate of Science in Nursing degree from an Accredited College with a GPA of 2.75 on a scale of 4.0 and the official transcripts.
2. Students must provide documentation of a current, unencumbered Registered Nurse license from Florida, Puerto Rico or a Nursing Compact License state. The license must be verified.
3. Students must provide a CV/resume.
4. Students must be interviewed by the Director of Nursing or their designated person.
5. Students will receive 30 credits once their RN license is verified.

### **Program Description**

The Bachelor of Science in Nursing (RN to BSN) aims to offer students with an Associate Degree in Nursing the opportunity to meet and obtain the requirements for a bachelor's degree. The courses are distributed between general education, professional core, and major.

### **End-of-Program Student Learning Outcomes**

1. Demonstrate critical thinking and problem-solving skills as applied to client care.
2. Integrate an understanding of healthcare organizational systems and leadership to improve client care.
3. Demonstrate application of evidence-based practice to manage physiological integrity of the client across the lifespan.
4. Use healthcare technology to promote client health and healing.
5. Apply knowledge of healthcare and regulatory policies to improve healthcare quality and client outcomes.
6. Communicate effectively and collaboratively within inter-disciplinary teams to promote high quality and safe client care.
7. Promote health and disease prevention for clients and communities, with sensitivity to individual and cultural influences.
8. Demonstrate professional values that promote human dignity, social justice, and client autonomy.

Program sequence will be available at the time of enrollment.

The language of instruction and program delivery modality are subject to availability and may vary between locations.
