Students and employees, must follow the established University Policies in order to ensure a secure work and learning environment free from recognized risks. The University Community (students, faculty, staff, and visitors) is responsible for notifying the Security Officer, or any employee of any situation that could represent some risk to life, security, or property.

*The University Community is responsible for notifying the Security Officer, or any employee of any situation that could represent some risk to life, security, or property*

## Reporting Alleged Crimes and Emergencies

There is several ways for the university community members and visitors to report alleged crimes, serious incidents, and other emergencies to appropriate university officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire university community, that you immediately report all incidents to **Campus Security**. This helps to ensure an effective investigation and appropriate follow-up actions, including issuing a timely warning or emergency notification. If crimes are never reported, little can be done to help other members of the community from also being victims. The university community will be much safer when all community members participate in safety and security initiatives.

We encourage all members of the university community to report all crimes and other emergencies to Campus Security in a timely manner. Campus Security is available by phone or in person at the Metro Orlando, South Florida, and Tampa Bay Campus.

**Reporting to Campus Security - See Telephone Directory at the end of the report**

## Voluntary and Confidential Reporting

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the university or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality.

The purpose of a confidential report is to comply with your wishes to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. Confidential reports allow the university to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security Report. In limited circumstances, the Campus Security may not be able to assure confidentiality and will inform you in those cases. Anyone may call the Campus Security emergency phone to report concerning information. Callers may remain anonymous.

## Reporting to Other Campus Security Authorities

The Clery Act recognizes certain university officials and offices as “Campus Security Authorities (CSA).” The Clery Act defines these individuals as “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution but does not have significant counseling responsibilities.” Actual professional & pastoral counselors are exempt.

CSA’s are obligated to report crimes reported to them which occurred on campus, in public areas bordering campus and in certain non-campus buildings owned or controlled (leased) by the University. CSA’s should only report those crimes that have not been previously reported to Campus Security or another University CSA. The intent of including non-law enforcement personnel in the CSA role is to acknowledge that some community members and students, may be hesitant about reporting crimes to security or the police, but may be more inclined to report incidents to other campus-affiliated individuals.

*Campus Security Authorities - See Telephone Directory at the end of the report*

## Timely Warnings

The purpose of a “Timely Warning” is to aid in the prevention of a violent crime against a person or a particularly threatening crime against property that represents an ongoing danger. The intent of a timely warning is to enable people to protect themselves.

A timely warning will be issued for any of the following crimes that are reported by a Campus Security Authority or local law enforcement agency that occurs on the university’s Clery geography and is considered by the university to represent a serious or continuing threat to students, staff, and faculty:

- Arson
- Robbery
- Burglary
- Dating Violence
- Domestic Violence
- Aggravated Assault
- Motor Vehicle Theft
- Forcible and Non-forcible Sex Offenses
- Criminal Homicide, including murder, non-negligent manslaughter, and negligent manslaughter

University officials will send a “Timely Warning” by email and text message to all students, staff, and faculty when the above criteria is met, and the pertinent information is available. The timely warning will provide details of the crime, a description of the suspect (if known), and information that will aid in the prevention of similar crimes. The message may omit some information if providing it could identify the victim or compromise law enforcement efforts. Timely warnings may be updated when new or more accurate information becomes available.

The decision to issue a timely warning is made on a case-by-case basis with consideration given to the validity of the information about the crime reported, information known to the police, the nature of the crime, when and where the incident occurred, when it was reported, continuing danger to the campus community, and risk of compromising law enforcement efforts or identifying the victim. If a suspect is apprehended or other facts indicate that any danger has passed and is unlikely to reappear, a timely warning will not be issued. If the report to the police is delayed to the point where the on-going threat has dissipated, the warning will not be issued. If there is reason to believe that a report was not made in good faith, the timely warning will not be issued. Please note that timely warnings are a separate and distinct process from the emergency notification messages.

Anyone with information warranting a timely warning should report the circumstances immediately to the Campus Security.

*Anyone with information warranting a timely warning should report the circumstances immediately to the Campus Security*

## University Policy on Carrying Firearms

AGMU promotes and maintains a work and learning environment that is safe and healthful for the entire university community. In order to comply with the commitment to maintain a safe environment, the carrying of firearms is prohibited in the entire premises and within the limits of the institutions, as well as any activity sponsored. Federal gun laws are enforced by the Bureau of Alcohol, Tobacco, Firearms and Explosives by means of the Office of Enforcement Programs and Services, Firearms Programs Division.

Most firearm laws were enacted through:

- Florida Statute 790.06(12)(a)
- National Firearms Act (1934)
- Omnibus Crime Control and Safe Streets Act of 1968
- Gun Control Act of 1968
- Firearm Owners Protection Act (1986)

The only exemption on carrying weapons will be for those agents of order or public safety, duly authorized by the Government, in which cases the weapon cannot be exposed to the view of the University Community.

## Harassment

This policy applies to all University Community. Students, employees, contractors and visitors. Vendors and visitors are also expected to comply with this policy.

No member of the university community may harass another. Conduct that reasonably serves a legitimate educational purpose, including pedagogical techniques, does not constitute harassment. In the educational setting within the University, wide latitude for professional judgment in determining the appropriate content and presentation of academic material is required. Those participating in the educational setting bear a responsibility to balance their rights of free expression with a consideration of the reasonable sensitivities of other participants. Therefore, this policy against harassment shall be

applied in a manner that protects academic freedom and freedom of expression including, but not limited to, the expression of ideas, however controversial, in the classroom setting, academic environment, university-recognized activities, or on the campus.

Sexual harassment is a form of sex discrimination. The legal definition of sexual harassment is “unwelcome verbal, visual, or physical conduct of a sexual nature that is severe or pervasive and affects working conditions or creates a hostile work environment.”

Many kinds of conduct verbal, visual or physical that is of a sexual nature may be considered sexual harassment, if the behavior is unwelcome and if it is severe or pervasive. Here are some more examples:

Both men and women can be sexually harassed and someone of the same or opposite sex can sexually harass you.

University’s policies promotes to the University Community and visitors a working learning environment that is fair, humane and responsible, nurturing professional advancement and education based on abilities and performance. The University does not tolerate harassment in the job or in the study environment.

The University seeks to provide equal educational opportunities for all students and to cultivate the ethical and moral values of a just society. To do so, the University must maintain an environment free from racial harassment, intimidation, and humiliation as expressed by communication, threats, acts of violence, hatred, abuse of authority, or ill-will that assault an individual’s self-worth.

Following are examples of behaviors, which, if based on race, ethnicity, or national origin, may constitute harassment:

- Making demeaning remarks to an individual or group or in the presence of an individual or group. This includes name calling, racial slurs, epithets, jokes, and racial put downs if the intention or result is to demean a person or group, treat individuals or groups differently because of race, ethnicity, national origin, or color, or create a hostile environment.
