### INSTITUTIONAL REACCREDITATION VISIT

A few days ago, we announced the appointment of Dr. Hubert Benítez as president of the evaluation committee of the reaccreditation process of Ana G. Méndez University by the Middle States Commission of Higher Education (MSCHE), our institutional accrediting agency. Following this appointment, MSCHE has identified the two dates of visits that are part of this process. The first visit called the preliminary visit, has the purpose of receiving the president of the evaluation committee, Dr. Benítez, who meets with different constituents of the institution to familiarize himself with the institutional culture, faculty, students, and administrators in addition to guiding the community on the process of reaccreditation and evaluation visit and to discuss issues related to the draft of the self-study document.

For the second visit to evaluate the reaccreditation self-study, we will receive a committee of about 7 to 9 evaluators assigned by MSCHE. During this visit, which lasts approximately three days, the evaluation committee meets with each institutional area, faculty, students, and administrators to exchange impressions on the submitted self-study document, clarify doubts, and thus complete their evaluations. The dates of visits established by MSCHE are as follows:

Preliminary Visit	• October 28-29, 2024
Reaccreditation Evaluation Visit	• March 30 to April 2, 2025

If you have any questions about the accreditation process, please get in touch with Mrs. Claudia Camacho, Director of Licensing, Compliance, and Accreditation, at [clcamacho@agmu.edu](mailto:clcamacho@agmu.edu).
