Modification of statements to reflect changes in status to initial accreditation.

The Master of Social Work at Ana G. Méndez University is accredited by the Council on Social Work Education's (CSWE) Board of Accreditation (BOA).

Accreditation of a social work program by the BOA indicates that it meets or exceeds standards of program quality evaluated through a peer review accreditation process. An accredited program has sufficient resources to meet its mission and goals, and the BOA has verified that it demonstrates compliance with all accreditation standards. Accreditation applies to all program options, which include locations and delivery methods. Accreditation provides reasonable assurance about the quality of the program and the competence of students graduating from the program.

Review our program's accredited status at the Directory of Accredited Programs <https://www.cswe.org/accreditation/directory/?CSWE's>. For more information about social work accreditation, contact CSWE's Department of Social Work Accreditation at accreditation@cswe.org.
