To all members of the UAGM Carolina – Metro Orlando Branch Campus Community

Universidad Ana G. Méndez (UAGM), Carolina Campus announces the closure of its Metro Orlando Branch Campus effective May 10, 2025.

The closure is part of the institution's long-range restructuring plan to become a single university with a single name and administrative structure. The Metro Orlando Branch Campus had active students under the UAGM Carolina Campus academic offerings until the end of the last Fall 2024 semester.

The university will continue to provide student support services in accordance with all policies and services outlined in the Academic Catalog.

The university provides proper access to former students and alumni to their student records through the website <https://usa.uagm.edu>. To request official transcripts and duplicate diplomas, former students and alumni can do so by submitting a request via studentservicesrequests@uagm.edu or contacting us at 1-800-774-3030.

Additionally, alumni will have access to Career advising and career development support via careerplacement@uagm.edu.

The Metro Orlando Campus will continue operating as part of Ana G. Mendez University (AGMU), a U.S.-based institution accredited by the Middle States Commission on Higher Education since 2016 and licensed by the Florida Commission on Independent Education (CIE).

Regards,

Evelyza Crespo-Rivera, Ph.D.
Chancellor
